

# How to refill the balance

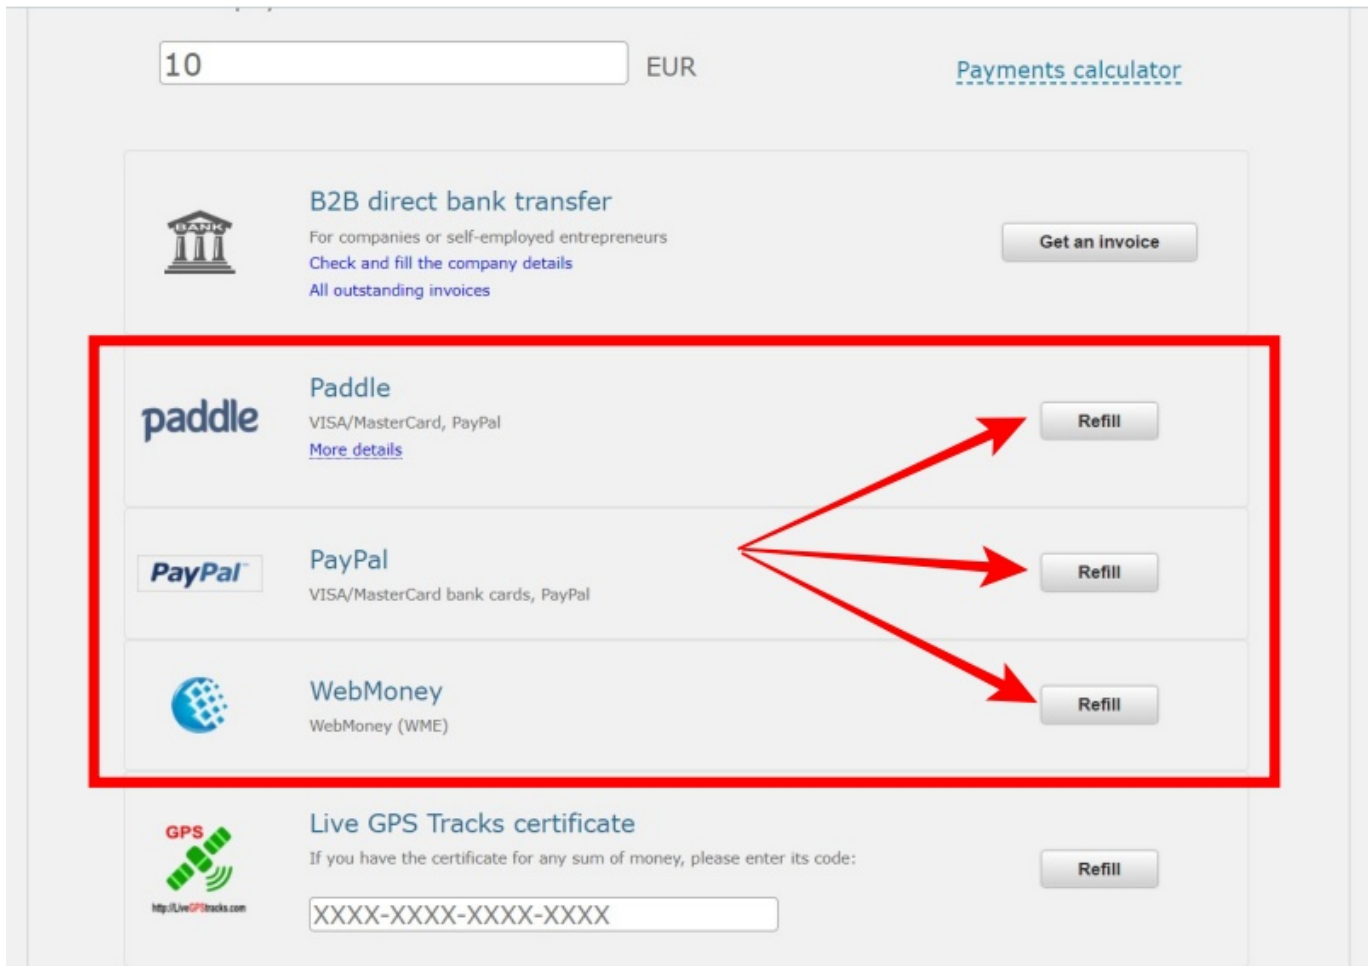

- Goto to main page <https://livegpstracks.com> website
- You will see your account information in the top right corner of the main page (if you signed in)
- Press on the balance amount

- Enter the amount you want to top up your balance with or use the payments calculator to calculate the amount.

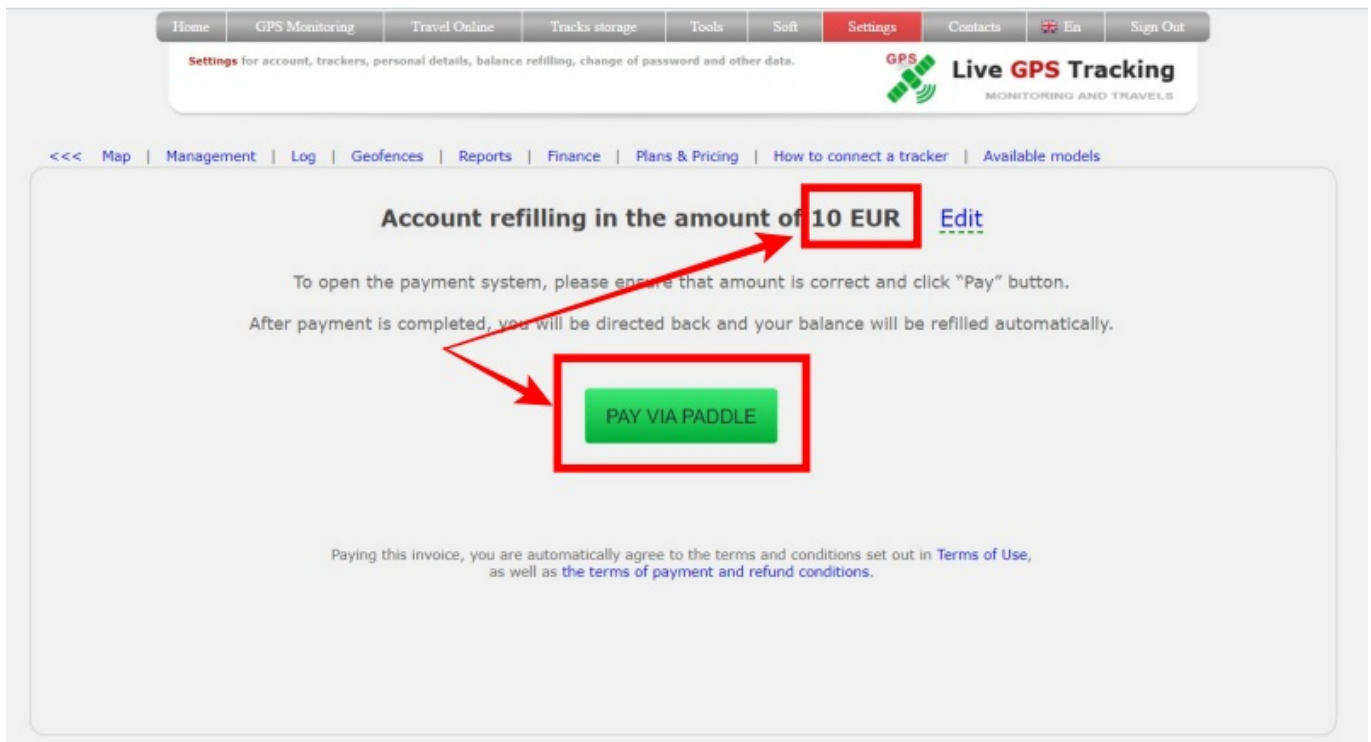

→ Choose payment system. Click the “Refill” button next to the system through which you will pay.

→ Check the entered amount and click on the button “**Pay via <Name of payment system>**”

→ If you made a mistake when entering the amount, click on the “**Edit**” link.

→ By clicking the “**Pay via**” button you will be redirected to the site of the payment system.

→ Follow the instructions on the system's website to make a payment.

→ After payment, you will return to the site of our platform.

The balance update time depends on the payment system and the selected payment method.

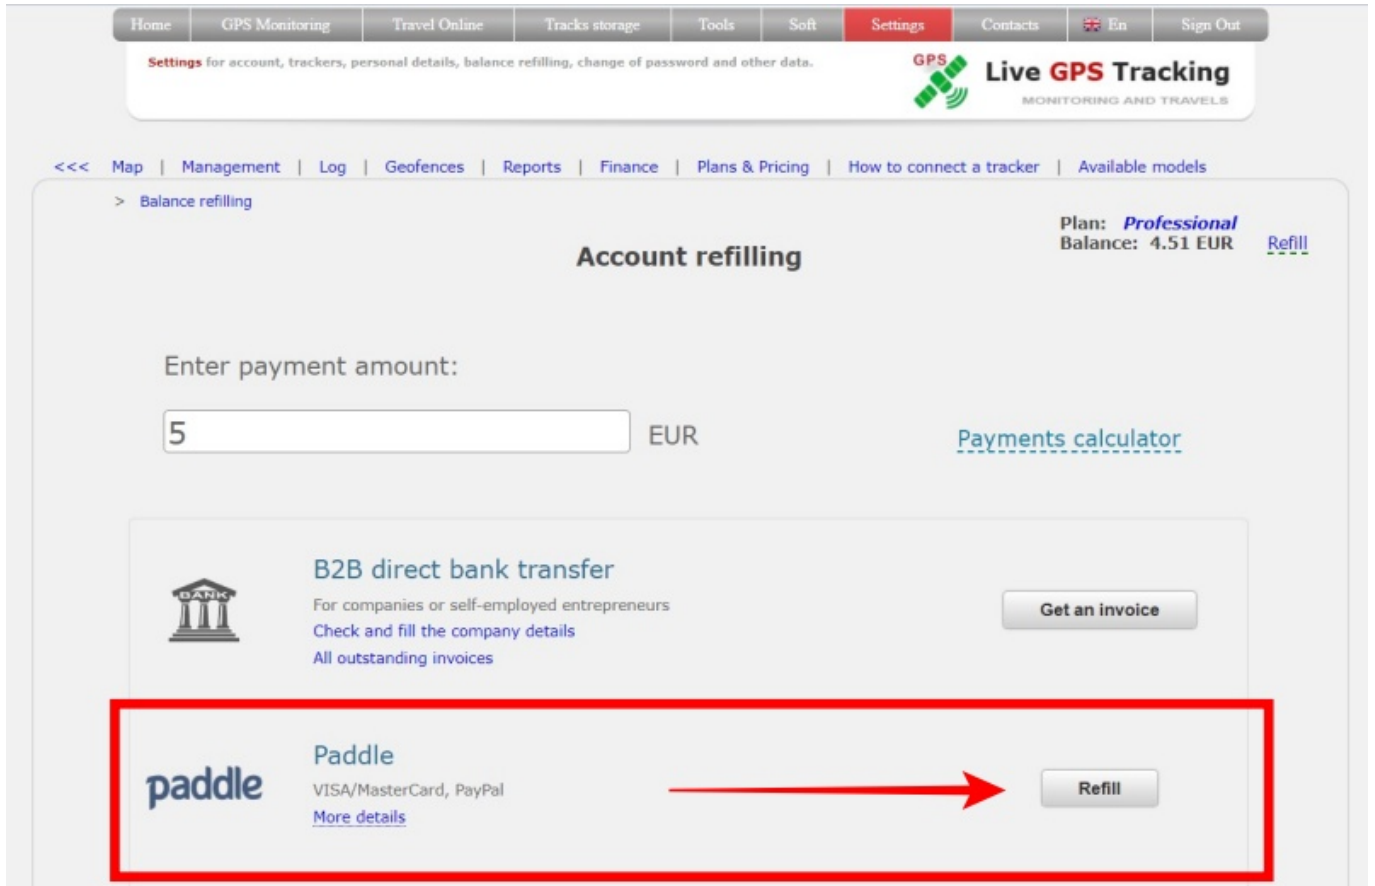

As a rule, for electronic money or when paying with a bank card, the update time can be 1-2 minutes.

If your balance has not been updated within half an hour, then write to the technical support: [support@livegpstracks.com](mailto:support@livegpstracks.com)
