The screenshot displays the homepage of Live GPS Tracking. At the top, a navigation bar includes links for Home, GPS Monitoring, Travel Online, Tracks storage, Tools, Soft, Settings, Contacts, a language selector (En), and a Sign In button. Below the navigation bar, a welcome message states: "Welcome! Our service combines not only traditional GPS monitoring of transport, employees, relatives, pets but wonderful world of trips and travels that you can share in the real time." The main content area is divided into two columns. The left column, titled "GPS monitoring", describes the service as a modern professional solution for satellite monitoring of various types of transport and special vehicles. It lists key advantages: using their own software for competitive prices, offering 4 monitoring objects for free, and supporting over 800 models. A red arrow points from the social media section to the sign-in area. The right column, titled "We are in social networks", lists social media accounts: Facebook, Instagram, YouTube, Twitter, and Telegram. At the bottom, the "Sign up and Sign in" section is highlighted with a red box. It contains two options: "Sign up" for new users and "Sign in" for registered users. The "Sign in" section includes input fields for "Login:" and "Password:", a "Sign in" button, and a link for "Forgot your password?".

If login and password are correct, you should to see account's information (login, plan, balance) in the top right corner of main page.
