

# A new version 4.4.0 of our LiveGPS Travel Tracker app for Android has been released

☐ LiveGPS Travel Tracker has been updated! ☐☐

We're finalising the transition to the new API, and in version 4.4.0 we've added the handy ability to switch app regions!

☐ What's new?

☐ Regional settings for the application ☐

☐ Bug fixes and improvements ☐

☐ Download the update from your favourite shop:

☐ [Google Play](#)

☐ [Huawei AppGallery](#)

☐ Read more about the app: [livegpstracks.com](https://livegpstracks.com)
