

A new version 3.1.0 of our Mobile Dispatcher app for Android has been released

Change List 3.1.0:

- Finance section has been added:
 - History of debits, top-ups and operations with certificates
 - Downloading reports in pdf, csv, xls formats on financial transactions
 - Creating and editing an organisation card
 - Viewing and saving invoices for the organisation
- Added account balance information to the top info bar (enabled optionally in settings)
- Fixed bug with selecting an external SD card to store MapsForge maps
- Improved operator login. Fixed interface defects with access to closed sections
- Bugs have been fixed

Our app is available for installation in the app stores:
