	Days selected: 1 25.07.2022 Time: 00:00-23:59 ✓ Track color depend on speed Show moving direction at scale from: 9						Moving mode: O By foot  O By car			
GPS Robot (De							<ul> <li>Ignore LBS coordinates</li> <li>Track with noise filtering</li> <li>Smoothing: 2</li> <li>Show track Close</li> </ul>			

Depending on the speed, the track will be displayed with a different color indication. An information scale will also appear on the map, showing which color corresponds to a certain speed.

What the same track looks like with and without speed:
