

Gift Certificates

What are gift certificates?

A gift certificate is a means for a one-time replenishment of the balance for the amount indicated in it.

- The certificate can serve as a good gift for any event, when buying a tracker or in any other cases.
- The certificate does not expire and can be activated at any time.
- The certificate is not tied to any account, i.e. With it, you can replenish the balance of any account.
