

How we work with companies

- We work with any legal entities and individual entrepreneurs who have the opportunity to interact with legal entities registered in the European Union.
- The system is fully automated and does not require the presence of personal managers
- To get started you only need to [create an account](#), top up your balance and connect at least one tracker to your account.
- All services are provided on the basis of a public offer contract.
There is no possibility to conclude personal contracts.
- All invoices are self-billed in your personal account on the website.
- The invoice is linked to the account from which it was created.
You cannot pay several different accounts with one invoice.
- For technical questions about the platform work, please contact our support team by e-mail: support@livegpstracks.com.
- For any common questions, please write to the sales department e-mail: sales@livegpstracks.com.
- For payment questions, please write to buh@livegpstracks.com.
