

Payments calculator

The payment calculator is designed to quickly calculate the amount that you need to deposit to pay for the trackers. And also it allows you to analyze the estimated costs for a certain period.

How to find payments calculator

- Goto to main page <https://livegpstracks.com> website
- You will see your account information in the top right corner of the main page (if you signed in)
- Press on the balance amount

The screenshot shows the Live GPS Tracking website dashboard. At the top, there is a navigation bar with links: Home, GPS Monitoring, Travel Online, Tracks storage, Tools, Soft, Settings, Contacts, En (with a flag icon), and Sign Out. Below the navigation bar, a welcome message states: "Welcome! Our service combines not only traditional GPS monitoring of transport, employees, relatives, pets but wonderful world of trips and travels that you can share in the real time." The main header area displays the "Live GPS Tracking" logo and the tagline "MONITORING AND TRAVELS". Below this, the user's login information is shown: "Your login: [companyuser](#), Your plan: [Professional](#), Your balance: [4.51 EUR](#)". The balance amount is highlighted with a red box and a red arrow pointing to it. The dashboard is divided into two main sections. The left section, titled "GPS monitoring", features a diagram of a truck and a car connected to a GPS satellite, and lists key advantages: "Live GPS Tracking is a modern professional solution for satellite monitoring of various types of transport and special vehicles.", "Key advantages of our monitoring service", "We use our own software development that allows us to maintain competitive prices. Our [plans & pricing](#) will pleasantly surprise you. [Plan calculator](#).", "4 monitoring objects are serviced **for free**.", and "More than **800 models are supported**, that allows connecting your devices in in operation." The right section, titled "We are in social networks", displays social media icons for Facebook, Instagram, YouTube, Twitter, and Telegram. At the bottom of the dashboard, there is a section titled "Live GPS Tracking - professional system".

- On the payment page there is a "Payments Calculator". Click on the text.

[Refill](#)

In the calculator window:

- Trackers quantity - by default, the number of devices connected to the account is set
- Period - default is 1 month
- Plan - for paid accounts - connected plan, for free accounts - the plan with the lowest cost
- Amount - the calculated cost for the given number of trackers.

The screenshot shows the LiveGPS Tracking website interface. A modal titled "Payment calculator" is centered on the screen. The modal contains the following text and form elements:

Enter the trackers quantity, select period and plan. The calculator will calculate the required payment amount.

Tap "Apply", The amount will automatically appear in the payment form.

Trackers quantity:

Period: Month ▼

Plan: Professional, 4 EUR/t ▼

Amount: EUR

[Reset](#)

The background of the website shows a navigation bar with links: Home, GPS Monitoring, Travel Online, Tracks storage, Tools, Soft, Settings (highlighted), Contacts, En, and Sign Out. Below the navigation bar, there is a section for "Settings" and a "Live GPS Tracking" logo. The main content area is partially visible, showing a "Map" button and a "Balance refilling" section with a "10" input field.

Change any of the parameters and the amount will be automatically recalculated.

To restore the default settings, click on the **"Reset"** link

Click on the **"Apply"** button and the selected amount will be substituted in the payment amount field.

Click the **"Close"** button to close the calculator without changing the payment amount.
